## Absentee Voting

- •Any registered voter, without a reason, may vote by absentee ballot.
- Absentee ballots must be made available no later than fifteen days prior to the election.
- If you combine with a Primary or General Election, the ballots must be available 46 days prior to the election. (SDCL 9-13-21, 13-17-13 and 12-19-1.2)

On the cities and school resource page, there are PDFs available outlining how you conduct absentee voting.

#### **Absentee Ballot Application**

There are many ways to request an absentee ballot:

- ► Prescribed form (ARSD 5:02:10:01) can be found at www.sdsos.gov .
- ► Federal Post Card Application (FPCA).
- Letter (must include everything that is on the absentee ballot application)
- ► All of the above must be signed, dated and complete.

#### Absentee Ballot Log

- $\circ$  Keep an absentee ballot  $\log (SDCL 12-19-2)$
- This is a public record
- Contents prescribed in 05:02:10:06
  - (1) Date of election and party designation if primary ballot;
  - (2) Name of voter;
  - (3) Current mailing address of voter;
  - (4) Voting precinct;
  - (5) Regular or UOCAVA voter;
  - (6) Date mailed to voter, given to authorized messenger, or voted in office;
  - (7) Name of authorized messenger;
  - (8) Date returned;
  - (9) Date application received;
  - (10) Email address if electronic transmission requested by UOCAVA voter (this is only for an election a county auditor runs, a local election does not have the option to transmit a ballot electronically through the state UOCAVA system); and
  - (11) Voter registration address.

#### **Absentee Ballot Application**

- ► Check registration list <u>before</u> sending an application or ballot.
  - If they aren't registered or they are Inactive include a Voter Registration form with the application.
  - If they aren't registered to vote or are Inactive but have submitted the absentee application, they need to complete and submit a voter registration form before the absentee ballots are processed on election day.
- Give these top priority since there are only 15 days of absentee voting.

#### **UOCAVA Voters**

- Return envelope for those military (stateside or overseas) and overseas citizen voters (residing outside of the U.S.) must be in this format (05:02:10:08) which provides free postage for those voters to return their voted absentee ballot to you.
  - ▶ The postage is free if mailed in a U.S. postal system.
  - ▶ If mailed in a non-U.S. Postal system the voter will have to pay the postage.

#### Other Absentee Provisions

- Absentee <u>application</u> must be received by 5:00 p.m. the day **before** the election.
- One application may apply to all elections in the calendar year if the voter has indicated that.
  - If the voter's absentee ballot mailing address changes, the voter MUST submit a new absentee ballot application.
  - ▶ If you receive an application for other elections make sure to give a copy of the application to the other jurisdictions.
    - ► Make sure the County Auditor has the correct email to send absentee ballot applications to you. The voter system that the auditors use, will automatically forward the application to you if the voter requested ballots for city and/or school elections.

#### Other Absentee Provisions cont'd

- ▶ A voter cannot use a Power of Attorney to sign the application for them. A voter has to make some sort of mark per SDCL 2-14-2 (25).
  - An individual is allowed to attest to the mark by writing the voter's name and then the individual signs and prints their own name indicating they were a witness to the voter making a mark.
- If an absentee voter dies before Election Day, the ballot is not processed or counted, the ballot envelope must be pulled, not opened and not counted. Write on the envelope "Unopened by reason of death of voter."
- Inactive voters must complete a new registration form before voting absentee.
  - Have the voter fill out the form and mail it back <u>separately</u> from their ballot or else the ballot may not be counted.

#### Absentee ballot processing

- ► Election board will process absentee ballots at the polling place whenever they have time during the Election Day or immediately after the polls close.
- No absentee ballot may be accepted after the polls close.

# Absentee ballot processing at polling location

#### Processing:

- Compare the signature on the ballot envelope with the signature on the application, except combined application/return envelope will have no signatures to compare.
- Mark the registration list and enter the name in the pollbook.
- ▶ Open the envelope and place the official ballot stamp on the ballot and place the ballot in the ballot box.

#### **Authorized Messenger**

- ▶ Who can use an authorized messenger?
  - A voter who is <u>confined because of sickness or</u> <u>disability.</u>
  - ► Work is not considered confinement. Employers are required under law to allow an employee up to 2 hours to be absent to vote (SDCL 12-3-5).
- ► Voter designates on the application for someone to bring them a ballot.
- ▶ If a nursing home requests that you bring ballots to the residents to vote absentee, you are NOT ALLOWED UNDER LAW to do so. (SDCL 12-19-9.1)

#### Authorized Messenger cont'd

- ► A <u>candidate</u> for any elective office cannot be an authorized messenger (SDCL 12-19-7.1).
- No authorized messenger may, in the presence of the voter at or before the time of voting, display campaign posters, signs or other campaign materials or by any like means solicit any votes for or against any person, political party or position on a question submitted. A violation of this section is a Class 2 misdemeanor (SDCL 12-19-7.2).
- ▶ If a person is an authorized messenger for more than one voter, he must notify the person in charge of the election of all voters for whom he is a messenger (SDCL 12-19-2.2).
